

Little Gems Newsletter

Friday 30.1.15

Busy Learning

We would like to welcome our new friends to Little Gems. We are happy to say that everyone is settling well into nursery.

During the last two weeks we have been focusing on winter. We have looked the cold colours of winter in particular the colour 'blue' We have printed with shades of blue paint and made collages with blue materials. The children have been very creative and have produced some imaginative pieces of art!

We have enjoyed reading the story 'Brown Bear, Brown Bear What Can You See?' This has helped reinforce the children's knowledge of colour recognition and is most definitely our new favourite story! 😊

Outdoor Learning

The children have enjoyed lots of environmental walks in our outdoor area where the search for 'Jack Frost' has been top priority!

We found him everywhere. Little Gems have also been keeping a very close eye on the bird feeders in the school grounds and made sure they were well stocked up! Next week we shall be making bird cakes and would be very grateful if you could save your yoghurt pots for us as they make handy containers for bird cakes.

Thank you. 😊

Information

Little Gems' staff are always on hand to talk to you about your child. Should you need to speak to a member of staff, please feel free to arrange a convenient time when we will be happy to talk to you. We welcome your comments and feedback 😊
