Friday 22nd April 2016

Busy Learning

We would like to say a huge welcome back after the Easter holidays. We trust you all enjoyed the break

The children have all come back to nursery happily and eager to get busy. We welcome some new children to the nursery who are settling well and enjoying their new surroundings.

This week we are helping the Queen celebrate her 90th Birthday. We are busy making our own crowns and testing them out on our 'Throne'. We will make our own cucumber sandwiches to enjoy at our tea party. The children will decorate their own crown biscuits with 'Jelly tot' gems. We are all contributing to a birthday card for the Queen, which we will send off to the palace for Her Majesty.

Reminders

Please can parents ensure that your children's belongings are clearly labelled.

We are part of the healthy school initiative and encourage parents to ensure your child has water in their drinks bottles please.

With the warm weather approaching, please ensure your child has a labelled sun hat.

Outdoor Learning

The chickens have been busy laying us some eggs. We all looked closely at the egg and talked about the shell. We all had a guess about what would be inside when we cracked the egg. Some of us thought there may be chocolate a baby chick or even sweeties. In fact we found a yolk!

We have been learning about turn taking while using the balance bikes. We wait while our friends have a turn then we can have our turn. We are very patient. Our skills are developing quickly we are getting very confident when using the balance bikes.

Facebook and website

Every two weeks we update the school's Facebook page and the school website with pictures and information of what we have been doing in nursery. Please speak to a member of staff if you need advice about these internet pages.

Please look out in your children's bags for any letters. Letter day is Friday.
