

Gems Nursery Unit Newsletter

Friday 20th March

Mathematical Development

The children have had many opportunities to order numbers and count in different ways. The children have been using their one to one as correspondence to check their number of objects such as buttons, bugs and books. It would be great if you could follow this up at home by asking your children to count some items, for example, they could count up and down stairs and steps.

Summer Term

As the weather will start to improve next term your child will need a sun hat in school. Please make sure this is named and ready in their book bag.

Important Notice

The Spring term finishes on Friday 27th March. We hope you have a lovely break over Easter and we start the summer term on Monday 13th April.

Reminders

- * Snack money is £1 a week. Please put into an envelope if possible. Thank you.
 - *If your child is having a packed lunch please ensure that they have a drink in their lunch box as well as their water bottle. Thank you.
 - * Even though we've had some warmer days, please ensure your child has a coat. Thank you.
- **PLEASE CAN YOU CHECK THE LABELS ON YOUR CHILDS CLOTHING****

Our theme this week has been Spring

The children have explored and been very curious with our green sensory table.

Busy Learning

We have been very busy over the last two weeks learning all about Spring.

The children have been planting seeds and watching how their cress has grown. They children have been watering their seeds and are very pleased that their cress has grown and is ready to now eat.

They enjoyed tasting their cress with crackers at snack time.

The children have been very busy walking around the school grounds searching for bugs. During our bug hunts we have found ladybirds, woodlouse and spiders.

Over the Easter holidays you might want to go on a bug hunt and find some interesting insects!

Please also take a look at the new school website. Here you will find lots of useful information, including letters and key dates. This newsletter will be added to the Little Gems section with all previous ones.
