## **Gems Nursery**

### **Fortnightly Newsletter**

#### **Movement and Handling**

The children love playing with the play dough, they have made pretend cakes and used a range of tools. The children are enjoying being outside, they like playing with the balls, riding on the vehicles and mark making using the chalks.

#### **Friday 30th September 2016**

#### **Personal and Social Education**

The children have been interacting and talking about who is in our class and what they enjoy doing when they are not at nursery. They have been playing with the different toys and equipment in nursery, including Happy Land.

#### **Communication**

The children have been singing lots of different nursery rhymes and using the musical instruments. Also, they have been talking about the different areas in nursery and what they can do in each area, including wearing aprons for some activities.

#### **Busy learning**

Through our topic 'All About Me' the nursery children have been using the mirrors and talking about their hair and eye colour. They have been decorating their own cardboard person for our Gems nursery board so we know who is in our class. Also, the nursery children have been painting pictures of themselves using black paint.

#### **Reminders**

Thank you for all of the £1 contributions, the children have enjoyed snacks of cheese and crackers, humous and breadsticks, rice cakes and fruit, to name but a few.

Please remember to send your child with a plastic bottle with water in it as they regularly get thirsty and want a drink throughout the day.

Please name all of your child's clothes, especially sweatshirts and cardigans.
