

# ANTI-BULLYING CHARTER

Staff, children and young people, parents/ carers of St. Neots' schools and our partner organisations are working together to create school communities where bullying is not tolerated

## Our school community:

- ☒ Does not tolerate bullying of any kind
- ☒ Discusses, monitors, and reviews our anti-bullying policy on a regular basis
- ☒ Raises awareness amongst children and young people, parents, and staff about the different types of bullying
- ☒ Supports children, young people and staff to identify and tackle bullying appropriately
- ☒ Supports children and young people in learning how to deal with the inappropriate actions of others
- ☒ Ensures that children and young people are aware that all bullying concerns will be dealt with sensitively and effectively
- ☒ Reports back quickly to parents/ carers regarding their concerns on bullying
- ☒ Seeks to learn from anti-bullying good practice elsewhere and utilise the support of the Local Authority, Police, Health Service, Councils, and Voluntary Organisations when appropriate
