

WINHILLS

Year 1 and Year 2

Fortnightly Newsletter

12/05/2017

English

For their current English unit, the KS1 children have been focusing on the text 'One Day on our Blue Planet in the Savannah'. The children have been writing facts about lions to create a fact file and will finish the unit by writing and performing a poem.

Mathematics

Year 1 children have been focusing on the Place Value, number bonds beyond 10 and learning the symbols for more than, less than and equal to.

The year 2 children have been consolidating their written methods for addition and subtraction as well as learning about time.

Science

In Science this term, the children have started a new topic about humans, including animals. So far we have investigated our heart beat when resting and exercising. We have also investigated if bigger people have bigger hands and feet.

ICE Zone

Year 1 and 2 have started their brand new topic of Africa. The children have created their own African masks, are designing and building an African instrument, looking after animals in the Safari Hospital and travelling around the Savannah in a hot air balloon.

Reminders

Please make sure that the children are completing their homework every week as well as reading with your child every day so they receive their '5 reads and a book talk' award.

Amber and Sunstone class have PE on a Tuesday and Emerald class have PE on a Friday. Please ensure your child has correct PE kit, including trainers. No earrings must be worn for PE.
