Key Stage 1

Fortnightly Newsletter

Year 1

It's nearly Christmas! The year one children have been learning all about the bar model in Maths to represent their number bonds to 10. In English, the children have continued to write space stories, thinking carefully about what descriptive words they can use. The children have also started getting into the festive spirit by making Christmas decorations to decorate the school.

Year 2

The year two children have been getting Christmassy in the last two weeks. They too have made decorations and they have been decorating the school. In Maths, the children have learnt all about multiplication and division and they have developed a written method for both. In English, they have also continued to write space stories.

ICE Zone

A new visitor has joined us in the ICE zone this month! Messy the Elf has been sent to make sure all of the children are behaving well ready for Father Christmas. Messy isn't always the best behaved elf though...

Reminders

- Reward day is on Monday 19th December. Please ensure your child has completed all 10 pieces of Maths and English homework by this date so they can enjoy the whole of reward day.
- On Monday 12th December and Tuesday 13th December the children will be participating in their nativity play. The doors will open at 1:30 and refreshments will be available to purchase for 50p.
