Maths in Year 1

We are visiting Numbers to 100, ordering and looking at place value with Tens and Units.

Next week they start the unit; measure - weight and length.

Look out for the photos of Maths activities on Facebook and The class page.

Reception Maths

We have been doing lots of activities to help learn about **One more** and **One less** than numbers to 5, and to 10.

We are learning to recognise our numbers up to 5 and then up to 10, and beyond

Reminders

Wednesday is PE day for all the children. Please remove any ear rings your child is wearing. You will need to provide a PE kit and bag for your child. (School PE bags now available in the office).

PE kit: Plain white T shirt, black shorts.

Indoor PE shoes are needed to change into on a wet weather day.

Snack money of £1 per child each week on Mondays please.

Library books will be changed on Friday if they are in the children's blue school bags.

Literacy in Year 1

The children have enjoyed writing Lists, Labels and Captions. We have been remembering to use capital letters and full stops when writing a sentence.

Literacy in Reception Classes

We have really enjoyed exploring the story of Little Red Riding Hood. Acting it out, story-telling it and making a story map of the plot.

Thank you to all the parents who came to the Phonics and Reading meetings today.

Please ask class teachers if you have any questions about learning and reading at home.

Homework for Year 1

Thank you to all the parents that have dated and named the homework on each page.

The children have made a fantastic start on one Numeracy and One Literacy piece of homework each week.

(Please remember; Pencils Only.)
