

WINHILLS

Year 3 and Year 4

Fortnightly Newsletter

Year 3

English

Moonstone class have now finished their letter writing topic by sending letters to the Queen. The children will be consolidating their learning for the rest of the term focusing on a soon to be revealed book.

Mathematics

Year 3 have become detectives and interpreters in maths this week. They have been studying graphs and tables and interpreting the information within them. The children have also collected their own data and present it in a range of ways to the class.

Science

The children are continuing their learning all about plants and starting to plant and nurture their own.

Year 4

English

Year 4 have now completed their persuasive writing topic, finishing off with a great persuasive letter to Mrs Connell! For the rest of the year, the children will be focusing on the book 'The Twits' by Roald Dahl. They will start with a gruesome character description!

Mathematics

The class have been busy learning all about different types of graphs. The children have collected their own data and started to place it in both bar and line graphs.

Science

Year 4 are learning all about Electricity. They will soon be investigating the use of switches in a circuit and then creating their own!

ICE Zone

Year 3 and 4 have continued to work extremely hard out in our ICE zone. There has recently been a huge focus on E Safety so the children have started to create their own posters informing people on how to stay safe online. They have also been working hard on their programming skills. This is being achieved via the online programming tool Scratch and by hand programming a device called the Roamer.

Reminders

Please ensure all children come to school with a sun hat and water bottle.
Please make sure that the children are completing their homework every week.

We are handing out the literacy homework every Thursday. This is due in on a Monday.
Please make sure the children are completing 1 hour of maths whizz and week and reading every night!
